

Dear parents,

The communal administration of Leudelage, in partnership with Inter-Actions a.s.b.l., is looking to launch a summer activity project for children aged from **9 to 12** (cycle 3 and 4 during the current schoolyear of 2023-24) for the period from **August 5 to 16, 2024**.

In preparation for this offer, we would like to submit this questionnaire to survey the actual demand in our area for this activity, so that we can come up with a suitable program.

We plan to offer activities mainly in and around the "Schwengsweed" recreation area, with the emphasis on interaction with nature. We also plan to organize several leisure excursions, discovery trips and sports activities outside Leudelage. For meals, we plan to offer picnics and snacks.

This service is part of the childcare service voucher (chèque service accueil- CSA) program and will be billed to parents according to the current rates specified in your membership contract.

A registration form and childcare contract will be submitted to you once the program has been confirmed.

In case of interest, please return the attached questionnaire either by post or e-mail to the Leudelage communal administration, or hand it in directly at the reception desk of the Town Hall of Leudelage before **April 30, 2024**.

Thank you very much!
